“WASH YOUR HANDS, PHYSICALLY DISTANCE, STAY SAFE”

CTRC Management Team continues to prepare and we want to communicate the following:

- ✓ **The CTCRC Professional Resource Team (PRT) is engaged in supporting and reaching out to all community individuals that make use of our services.**
- ✓ **The development of a Facebook page for families to access resources is moving forward.**
- ✓ **PRT wellness check-ins and supportive counselling are being provided as isolation and limited community activities are causing stress.**
- ✓ **PRT continue to take in new referrals and to plan for situations classified as needing an Urgent Response.**
- ✓ **We again want to remind everyone to continue with physical distancing, and hand washing.**

Respectfully,

Daniel Roy
