## **“WASH YOUR HANDS, PHYSICALLY DISTANCE, STAY SAFE”**

**CTRC Management Team continues to prepare and we want to communicate the following:**

- ✓ **The Porcupine Health Unit is advising the following:**

**“As there are days with zero or one new case noted in our region, we need to ensure that we do not relax our safe practices. We must continue to use social distance, hand-washing/sanitizing and monitoring for self-health. The pandemic is expected to spike in May and we must limit community spread. This leaves us a lot of time to continue safe practices.”**

**Please keep up the efforts.**

- ✓ **CTRC Health Services are working on a video for proper wearing and removal of Personal Protective Equipment.**
- ✓ **Residential Staff are finding ways of connecting individuals to their families with the use of technology!! Thank you for the initiative.**

Respectfully,
