The CTRC Management Team continues to meet to discuss any care and support issues in this Covid-19 Period.

- ✓ Over the months of July and August Covid-19 updates will be limited to any Urgent or priority communication.
- ✓ We currently have an active posting, ending in September, for Relief ARC staff. Please encourage anyone you feel is suitable for the position to please apply at [hr@ctrc.on.ca](mailto:hr@ctrc.on.ca).
- ✓ As Ontario re-opens, we are wanting to hear from you about safe community outing we could consider for our residential individuals. Please share any thoughts with your Supervisor.
- ✓ Special thank you from Gary Dowe and the management team at CTRC goes out to:

All front line staff for their continued efforts at keeping the virus out of our home. Doing the wellness checks, wearing the masks, doing the extra cleaning, sanitizing groceries, working for one employer, limiting your own community outings and travel are all having an effect and preventing an outbreak.

Health Services for the pandemic response they have been providing. The training, the direction, the problem solving has been invaluable.

All PRT staff for continuing to support individuals in what has not always been easy conditions. You have created new ways of

**connecting and offering support via the creation of a Facebook group, Facebook live events, ensuring remote case management of urgent responses, providing reassurance to individuals and parents and doing remote drop offs for documents and other essentials.**

**All the individual PRT staff that have been shopping week after week to ensure homes have the supplies they need.**

**All clerks that have been reporting to 600 Toke St to ensure administrative support for all the activity during this pandemic period and ensuring the bills are paid and payroll is done.**

**All CSS staff that have been bring activation and fun to all the homes both on site and remotely via the Zoom activities.**

**THANK YOU**
