“WASH YOUR HANDS, PHYSICALLY DISTANCE, STAY SAFE”

- ✓ In Canada this is National Nursing Week, May 12th is the International Nurses Day and 2020 is the year of the Nurse.
- ✓ The themes and slogans are “A voice to Lead”, “Compassion, Expertise and Trust”
- ✓ The above has definitely been exemplified by Rylee Kaye and Megan Roy, our CTRC Health Services Nurses.
- ✓ Rylee and Megan, all the front line staff and residents have worked to say Thank You. Please admire the banners, posters and a video prepared for you as you go about your work to lead us with compassion and expertise. We are trusting we will get through this.
- ✓ An example of your great work has been the isolation plan and pandemic response that you have pulled together. Provincial leads and two (2) regional Emergency Medical Services leads have commented that our plan is in line with all recommendations and with their own steps to safely respond to Covid-19 in the workplace.
- ✓ Thank You for helping us achieve this!

Respectfully,

Daniel Roy
