“WASH YOUR HANDS, PHYSICALLY DISTANCE, STAY SAFE”

The CTRC Management Team met today to discuss any care and support issues in this Covid-19 Period.

- ✓ **We discussed how proud we are about our residential care standard which is directly linked to the work you do every day.**
- ✓ **Please take pride in the work you do each day to support individuals.**
- ✓ **Ontario has extended Emergency Orders until June 9th. This keeps restaurants closed for dining in, visits between households are not to occur and it limits any social gatherings to outdoor visits and to a maximum of 5 individuals. Reassignment of staff to other positions and the *silo-ing* of staff to one employer continues.**
- ✓ **The first Pandemic Lump Sum payment for front line worker, on duty 100 hours or more, over the April – May period is being calculated and will be paid June 18th, 2020 to all that qualify.**

Respectfully,

for Daniel Roy, Human Resources Director
