**Date:** July 7, 2020

## **“WASH YOUR HANDS, PHYSICALLY DISTANCE, STAY SAFE”**

We have received some questions from our Residential staff asking if they are required to continue wearing face masks while at work. The answer is “YES”.

**CTRC staff (Residential, CSS, PRT) attending the group homes and/or interacting with any individual supported are required to wear face masks at all times while at work, except when eating or drinking. When eating or drinking, social distancing of a minimum of 2m/6ft must be maintained.**

We also encourage all staff to consider utilizing one of the fabric masks provided to you outside of work, when social distancing cannot be guaranteed.

Thank you for your continued efforts to keep yourselves and everyone around you safe. We appreciate everything you are doing to continue supporting individuals and their families across all programs. Stay well!

Respectfully,

for
