- ✓ We will encourage and support all staff to consider vaccination.
- ✓ Our Health Services nurses, our Residential Supervisors and several staff have received their vaccination.
- ✓ Please inform Human Resources staff if you are vaccinated. We are required to keep track of the vaccination status of employees.
- ✓ Human Resources will also be calling staff that received a first vaccination to remind them of the second vaccination as that date approaches.
- ✓ The \$3 wage enhancement has been a Government initiative approved month by month. The wage enhancement has been extended to April 20th, 2021.
